

February 2011

Hello Turrell Families,

I hope you are having a terrific school year and taking advantage of all that the Turrell Center has to offer. Did you know that we offer fee-based **enrichment programs**, such as music, gymnastics and karate? These programs will make your child's experience at the Turrell Center even more special and memorable.

Before you know it, it will be time to register for **Camp Kaleidoscope**, the Turrell Center's summer camp program for children ages 6 – 9. It's a wonderful experience for your child's school-aged siblings, or perhaps any friends or neighbors you know looking for a high quality camp. This year, we're introducing a new **Reading Assistance Program** designed to provide one-on-one support to children who need some extra help sharpening their reading skills. **Camp is also available year-round during school breaks to help with your child care needs!** Registration materials are located at the reception desk.

In the coming weeks, we will be launching a new **Turrell Child Care & Early Learning Center website** with enhanced features, a "pay online" option, **calendar of events** and much more. Look for the new site at <http://turrell.cafsnj.org>.

Thanks so much for your support of our recent Bake Sale fundraiser. Because of your support, we are now able to purchase much-needed play equipment for the center.

Our next **Turrell Open Houses** are scheduled for **Wednesday, April 20** and **Thursday, April 21**. This is a great way of introducing friends and family to the Turrell Center and all it has to offer. Remember, our parent incentive program runs all year, offering our referring parents one free weeks' tuition after three months of full-time enrollment of the referred child.

Recently, we asked some of the children attending the Turrell Center what they loved about school. And did we get some wonderful responses! **We're pleased to share their answers with you below.**

Enjoy!
